NovoPro – the proven success in wireless collaboration

With NovoPro up to 4 meeting participants are able to show content from any device to a larger display screen, while up to 64 participants can be connected. The cross-platform compatible NovoPro facilitates wireless collaboration with a complete suite of functionalities such as file sharing or real time annotation. The device is designed to ensure a high quality wireless experience, yet at a price-performance point that makes it easily affordable for any meeting room, boardroom or brainstorm space.
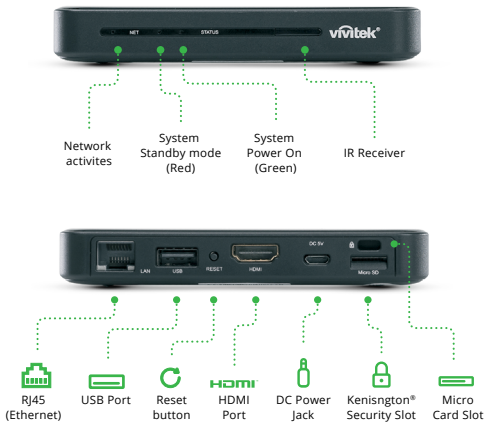

Features

- Wireless content sharing from laptop, tablet or smartphone to the central screen
- Split screen functionality for up to four sources to share simultaneously
- Full mirroring of PC/Mac, Chromebook or mobile devices directly to the projector
- Seamless WiFi video transmission in 1080p at 60 FPS
- Cross-platform compatibility with Windows, macOS, Ubuntu, Android and iOS
- Touch screen support
- Network-based remote management
- AES 256 encryption for data protection
- Dual network support with secure WiFi hotspot mode and integration into office network via USB-Ethernet adapter
- Free firmware upgrade over the air

vivitek®

MODEL	NP2000-NovoPro
